A little space.
A lot of possibility.

Draw, explore, and share on the big screen.

Make room for your next idea.

01	**3D space**	Explore a model from every angle.
02	**Whiteboard**	Sketch, annotate, and start again.
03	**Files**	Open work from this device or a USB.
04	**Video**	Play a clip. Pause on the big moment.
05	**Presentations**	Move through a story, one slide at a time.
